

Submitter:

Kat Swanson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail allows me to thoroughly research issues in real time, and I don't have to take a specific day/time off work in order to participate in the voting process. One thing I really love about living in Oregon is the boat by Mail system, and changing it would be a detriment to our society as a whole.
