I am strongly opposed to giving in to this fascist regime. We have had mail in voting here for a long time with great success. This is yet another attack on the elderly and disabled. Trumpler and the Muskrat need to be halted in their tracks. We cannot roll over and let them have their way with us. This is our country not a toy for billionaires to mess with until they get bored. Grow a spine and prepare for the worst case...

We can't let these monsters get away with this.
