

Submitter: Margaret Killgorecathcart

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I believe mail-in voting supports strong fair elections. I am proud to live in Oregon where the people are valued. This process allows people to take the time to really research the people and initiatives they are being asked to vote on. It allows us to share the importance of voting with others. It provides a paper record of our votes in the case of any questions about the vote.

Please oppose any threat to our current mail-in voting process.
