

Submitter:

Gail Gillespie

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our vote by mail system has allowed people of all income strata, age, work situation, and physical condition to vote easily, and, by and large, without fraud. It is essential that all citizens' voices continue to be able to be heard, in our election system, whether or not they can stand in a line, or get off work that day. Please safeguard our safe and fair voting system, utilizing the mail system.
