

Submitter:

Maria Roman Vazquez

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

The vote-by-mail system in Oregon is reliable, well-organized, and allows me to research and fill-out my ballot at my convenience. There is no evidence of widespread fraud or any other substantial reason why such an efficient method of voting should be repealed. Attempts to eliminate vote-by-mail in this or any other state are acts of voter suppression and should be seen as such.
