Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB 210. This creates barriers for those with disabilities who may be unable to physically visit in person ballot boxes. It creates a barrier for those who work unconventional hours who otherwise may not be able to make it on time. It creates a barrier to educating oneself about the ballot choices. Personally, I sit with my ballot and research the bills, and officials running. Taking away this opportunity creates an uneducated choice powered under duress. I firmly oppose SB 210 and those who proposed it are attacking our democracy.

Sincerely,

Lysette Martinez
