I am strongly opposed to this regressive bill to enforce in-person voting. As an Oregonian, I take pride in our vote-by-mail system. Voting by mail has made it possible for me and many others to participate in our electoral system. As a self-employed small business owner, in-person voting on election day would be very prohibitive for me and many others who cannot easily take a day off work to vote. This bill would highly limit voter participation and turnout, and it is in my mind a form of voter suppression.
