

Submitter:

Melvin Gurtov

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Dear Legislators:

Vote-by-mail is a tried and true method of democratic participation. There is no reason to change it other than to bow before a President who is determined to filter out voters likely to oppose him. Support of this measure would be merely the first step in Trump's plan to require proof of citizenship at the polls. Let's stick with a voting system that works. Thank you.

(Dr.) Mel Gurtov
