Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting has been the standard for Oregon and has shown an extreme uptick of people voting. It is an extremely good convenience for people that otherwise would not be able to vote due to disability, inability to take work off, or a home life that keeps them inside. Security has also been shown to be very good in Oregon for our elections. Don't listen to the absolutely baseless claims of "voter fraud". We need this as Oregonians.
