

Submitter: Erik Sutherland

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Why would we do this? Don't we have one of the highest rates of a voter involvement in the country? Where is any evidence that this would be a good thing? As far as I know, vote by mail is demonized by the right, to better their numbers which is what I view as an anti-American view. Let people vote. Make it easy. Set the example.

Vote by mail rules! Good on Oregon for doing things to make democracy efficient
