SB210

I am in support of Senate Bill 210. In person voting as the standard method of voting will lower the possibility of fraudulent and duplicate ballots. The success of SB210 could also prevent illegal voting (through illegally filling out the ballots of the deceased or mail-in ballots sent to the wrong address, for example.) The intention of SB210 is to ensure that each citizen of Oregon has an equal and fair opportunity to cast a vote and submit a ballot without being undermined by fraudulent, illegal, and accidental or duplicated ballots.
