

Submitter:

Isaac McLennan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a lifelong Oregonian of 45 years and counting. For most of my voting life I have voted by mail. Voting is one of the most important actions a citizen can take and we should not be passing legislation that would restrict voter access. Vote by mail is secure, safe and should not be eliminated. I urge this committee to reject this backwards legislation.
