Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Ending a mail in voting system limits access to voting. I strongly oppose making in person voting the standard. There are people who cannot physically make it to polls. Mail in voting is integral to our country's values and ending that is un-American. We have already seen this get denied in the Supreme court in Thielman v. Fagan. Please stop wasting our time.. we as citizens would rather you focus on more important things.
