

Submitter: Juliet Grable

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail-in voting is safe, convenient, and inherently democratizing. It enables people who work or who would have trouble physically getting to a polling place to vote. I cannot understand why the Oregon legislature would even consider back-peddling on this issue and chance a voting system that has been in place for over 25 years. The only conclusion I can make is that the bill's sponsors want to limit who can vote in Oregon. I strongly oppose this measure.
