

Submitter: Nancy Brickman

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in balloting has worked great in Oregon. Don't roll back to in-person voting—we have a proven system that already works. I have the voters ballot on the table, holding a pen, and the voter's pamphlet in the other. It works. - it's great! It's streamlined, it doesn't need fixing. Don't let DC tell us how to vote. Please vote no changes to our election cycle.

Thanks for reading this, Nancy B
