

Submitter:

Erlinda Gonzales Berry

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am proud to live in the enlightened state of Oregon. Vote by mail is one of it's progressive features and under no circumstances should we dispose of it. As an elderly retired individual this feature of our governance structure allows me to be an active participant in our civic life. Without it, I would find it very difficult to exercise my right to exercise one of the most important acts of citizenship.
