

Submitter:

Bill Dahl

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon has a long history of "Vote by Mail" and it has been very successful in expanding participation of Oregon residents. Any incidence of fraud has been extraordinarily small and could probably be counted on one hand.

Please do not limit my voting privileges and how I vote. It is my vote and I should be able to vote as I choose.
