SB210

Oregon's proven, accessible, and secure vote by mail system helps keep our elections free and fair. I vehemently oppose SB 210 and any other offensive attempt at making it more difficult for my fellow Oregonians to vote. Vote by mail is safe, secure, effective and, for many Oregonians, enables us to make more informed decisions. It is fundamental to ensuring that ALL eligible voters, regardless of their circumstances, have the opportunity to participate in our democracy free from prohibitive, discriminatory, and unnecessary barriers.

I urge you to reject Senate Bill Number 210 and protect the rights of all Oregonians to vote conveniently, securely, and fairly.
