

Submitter: Chadwick Smith
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

It is altogether fitting that SB 210 would be sponsored by Senator David Brock Smith. A member of the political party that currently has an unelected billionaire gutting popular federal programs, Senator Smith is also personally familiar with circumnavigating the democratic process. He has built his career on cronyism (see Krieger and Heard) and intimidating his dissenting constituents (see the petition started to remove him as Curry County commissioner).

It's no wonder that Senator Smith would want to attack Oregon voters' access to the polls, having not had an election himself free of anomaly.

This bill is a solution to a problem that doesn't exist. Even holding a public hearing over it is a waste of tax dollars, just like David Brock Smith. Unlike David Brock Smith, voting by mail is incredibly popular and effective.

Vote no on SB 210.
