SB210

I have been married to my wife for 30 years and after she became disabled a few years ago, the clear benefits of Mail in ballots came to light.

We are able to sit down and discuss the issues intelligently before spending an afternoon with her marking up her ballot and then we can pop it in the mailbox secure in the knowledge that our ballot has been counted. This is not only an ease-of-use issue. It's an accessibility issue.

Thank you for your time.
