How dare the sponsor of this bill try to regress our great state's privilege of mail in voting. A privilege that the GOP party themselves use and take advantage of. Trying to bring our state down in this way is shameful and down right opposes the stats in how people vote in Oregon. The GOP themselves use this method of voting!!! Wow, shame the GOP are the sheep trying to fall in line. I oppose this shameful, dumbing-down bill that is trying to be used as a tool of control. They aren't fooling anyone and we see right through it. Shame on the sponsor. Despicable, and the most UN-AMERICAN. Trying to control votes in this manner is FOUL. Foul and shameful. You can't penetrate this great state and our freedom.
