Measure, Appointment or Topic:

SB210

I oppose this measure. I have voted by mail my whole adult life. There is no rampant mail-in voter fraud. No proof has ever been found. This is a clear voter suppression tactic.

Mail in voting reaches more people. Many elderly, disabled, or paycheck-to-paycheck folks rely on mail in voting.

Mail in voting works. Its easy and quick. There is no logical reason for changing it. There is no proof of mail in voter fraud. No evidence. Don't fix what's not broken. I oppose this measure. Leave our voting system alone!
