SB210

Hello Oregon State Legislature,

I, Jake Reilly, am an Oregon resident and have been for over 3 years now. I strongly oppose of the proposed bill to eliminate mail-in voting for Oregonians. I take pride in our state's continued efforts to make voting as accessible as possible for its residents. Eliminating mail-in voting, especially after having it in place in the state of Oregon for over 20 years, will disenfranchise voters who are for any reason unable to make it to their local polling locations, whether it be due to physical limitations, employment/personal obligations, or any other obstacle they may be facing. Every resident of our state should have an equal opportunity to participate in our election process, period. This bill jeopardizes that right.

I know I speak on behalf of many Oregonians when I make this testimony. I will reiterate; I STRONGLY oppose of the proposed bill to eliminate mail-in voting for Oregonians.

Thank you,

Jake Reilly
