Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail in Oregon is successful and dependable and encourages people to vote. We're able to vote in elections and in issues that we care about without missing work or school, working about childcare. We can vote if we're ill, in the hospital, overwhelmed with a busy schedule. It works as it was intended- to provide the simplest, secure method of paper ballot voting. I trust it, believe in it, and depend on vote by mail.
