SB210

Mail in voting has been nothing but a way for democrats to manipulate elections!
The government at the time of proposing mail in voting made it sound like it would be
such an advantage for the voter when in fact it's only been an advantage for
democrats to get a choke hold on our once great state!

While you're at it implement the electoral college for state level elections! We are
tired of the I-5 corrupt corridor controlling the entire state!
