SB210

As an American citizen and Oregonian this bill will create an unnecessary burden for a legal voter like myself and especially for my neighbors in rural areas. Oregon elections are secure and mail-in voting is successful. If the military can vote successfully by mail so can American citizens. I came to Oregon from Oklahoma where hour-long poll lines and few polling locations were normal. Voting for the first time in Oregon last year felt incredibly secure.

I also oppose the state not being required to cover the cost of mail-in ballots. This is yet another ridiculous burden for citizens on our right to vote. Please focus on actual broken issues affecting Oregonians.
