

Submitter:

Bryan Andresen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a retired rehabilitation physician having spent my career treating patients with neurological impairment and mobility limitations.

Mail-in voting encourages participation from across the political spectrum in these patients.

There is no substantiated evidence of election fraud in Oregon that would have changed any election. If it's not broke, don't fix it. Vote no on this bill.

Thank-you.
