Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose making in-person voting the standard in Oregon. Making voting easy and accessible is important to a functional democracy and I'm proud that Oregon is already doing so by making sending mail-in ballots to everyone who doesn't opt out. Doing anything else would likely disenfranchise many people and make everyone's right to vote more difficult to exercise for no good reason.
