Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting is crucial for lowering barriers to voting. If we require in-person voting, we will undoubtedly see a massive decline in voter turnout, which is exactly what the most corrupt politicians want. Mail-in voting makes participation in this civic duty far more accessible, particularly to the elderly, disabled and individuals without reliable means of transportation. Do not enable corrupt politicians. Do not proceed with this horrible measure which was raised by a horrible man.
