

Submitter: Jena Liberty

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a Registered voter, I don't not want to have in-person voting. Voting by mail is convenient and cost effective. Hiring people to man the precinct and finding a suitable place to put the voting booths is just a waste of resources.

This is a bill that doesn't serve the people of Oregon at all.

Thank you
