Measure, Appointment or Topic: SB210

I am writing to oppose bill SB 210. Vote by mail allows every voter the right to vote, regardless of their personal situations. It also gives Oregonians the time to thoughtfully think through their votes without the pressure of others waiting in line to vote.

Also, returning to an in person system would be costly for our state at a time when our Federal Government is cutting its funding for programs we value as Oregonians, leaving our state to pick up the bill.

Please vote no on this bill.
