

Submitter:

Slawek Nagalewski

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I categorically oppose this bill. This is an insult to the best method of voting in the USA. It is convenient, safe and works great. Oregon and its citizens should be proud to have the mail-in ballot system in place. Trying to dismantle this system is a move that goes against voting rights of all Oregonians.
