

Submitter:

Jacob Villalobos

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Not everyone has access to the locations to vote. We must include those who's daily lives are limited from ailment, injury, etc. Having options for everyone gives them a chance for their voice to be heard. As a Marine vet, it is incredibly difficult to be out in public. Mail in voting lets me continue serving my community even with my ailments.
