

Submitter:

Keith Cook

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail has been a resounding success in Oregon: it is secure, popular (regardless of political affiliation), and has resulted in significantly increased turnout and engagement. This effort to restrict vote by mail is in bad faith and clearly not in the best interest of the public; a naked gesture of deference to Donald Trump and an effort to muzzle the political voice of the people in our state.
