SB210

I was born and raised in Portland and we have a long history of SUCCESSFUL mail-in voting. Tearing this down for invented reasoning meant to drive fear mongering from this conservative white house makes no sense at all. They are trying to control/reduce who can vote since poor and marginalized communities are disproportionately affected by these measures. If we allow this to happen then we are no longer the Portland I have known and loved. We need to stand up against trump and his attempts to tear down democracy!
