Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB 210. Mail-in voting affords those who work menial jobs, those who have mobility challenges, those who have babies to care for, those who need translation help and more. I am so shocked this got on the agenda without public vetting. I have no words for dismantling a process that is secure, that works and is less costly and just for all citizens.
