I am a retired Letter Carriers of the USPS.

Many years before vote-by-mail came to Oregon, I missed being able to cast my ballot because I was working overtime delivering the mail. The voting polls were closed many times before I could get to it.

When vote-by-mail came to Oregon I losty concern about getting to the voting booth before it closed. Being able toail on my ballot made thingsuch easier for me.

Also, when I was a Letter Carrier, I had many conversations with my postal customers and how much they appreciated being able to vote-by-mail. Many of them talked about the ease, convenience, and safety they had with vote-by-mail.

Let's keep Vote-By-Mail.
