

Submitter:

Brandon Kurtz

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm a big supporter of voting by mail - it's convenient and helps me and many other Oregonians do our civic duty. I have no concerns about its safety and reliability; when minor issues have arisen, they've been caught and dealt with. I also resent the attempt by the current president to influence this particular state matter.
