SB210

Hello

My name is Garrett Fleenor, and I am the 1st Vice Chair of the Washington County Democrats. I support Mail-in voting, and strongly oppose SB 210. I've lived my entire life in Oregon, and in my first election in 2008, happily voted by mail while I was attending college at Oregon State University. I proceeded to vote, by mail, in every single election from then on. I even volunteer my time to be an election observer here in Washington County, to observe the process and ensure that everything is going well.

Voting by mail is one of the greatest perks of living in Oregon, and I appreciate it every single time. We are incredibly privileged to have such robust, effective, and secure voting method. To remove that would fundamentally change Oregon's character. I STRONGLY oppose abolishing our Vote by Mail system, and STRONGLY oppose SB 210.

Please, do not advance this bill. Protect Oregon's unique character and extremely convenient voting system.

Thank You
