

Submitter:

Andrew Beecher

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I've lived in Oregon for almost 42 years, and love voting by mail. It's time- and cost-effective, and gives a wider array of Oregon voters a convenient means to exercise their right to vote. I see no reason whatsoever to go back to making it less convenient to vote here in the state I have chosen to live in.
