Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I vehemently oppose the repeal of mail in voting in Oregon. I'm absolutely disgusted that this repeal is even being brought to the floor by these Trump sycophants. With the Republicans cowering to their traitorous president, we need now more than ever, a strong Democratic coalition to fight for our rights as voters.

I beg you to fight for our rights as a free democratic society by opposing this bill.
