

Submitter:

Bryanna Janney

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail ensures all Oregon residents get the opportunity to exercise not only what is our duty as American citizens, but what is our constitutional right. Going back to in-person, day-of voting without making election day a state-wide holiday will only ensure that our state's leading voter turnout numbers diminish. Everyone deserves the opportunity to exercise their right to vote in this democracy, no matter what limitations keep them from walking into a booth. Thank you.
