I am strongly opposed to limiting or removing mail in voting. Mail in voting has been the exclusive form of voting in Oregon for over 2 decades, and it allows everyone who is legally registered to vote regardless of their personal situation. It allows you to be an informed voter by allowing you time to research the different arguments, testimonies, and candidates on your time. It allows you to finalize your ballot on your time. Everyone's time is precious and deserves respect. This bill disrespects everyone in the state, including the constituents that voted you in.
