

Submitter:

Erin Vingiello

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is a safe and effective way to vote. It is also the best way for people with busy lives (they work, have children, are caretakers, etc.) to vote since Election Day is not a holiday and many people are busy on the day. Voting by mail is as Oregonian as enjoying an overcast day at the coast.
