

Submitter:

Sharon Oefelein

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not repeal mail in voting.

It is so easy for working people, parents with small children and the elderly. I don't want to stand in line

when I can carefully and thoughtfully fill out my ballot at my kitchen table. There is so little fraud in our elections

It's ridiculous to think of changing.
