One of the many reason I am a proud Oregonian is our incredibly successful vote-by-mail culture. It has made a world of difference for me that I can study the ballot and in the quiet of my own home, carefully mark my ballot with absolute assurance I have voted correctly. I would love to see EVERY State adopt the same laws. It encourages MORE people to vote. People that work, sometimes multiple jobs or have limited transportation or child /elder care that keeps them from voting STILL HAVE THE RIGHT TO BE HEARD at the ballot. Please do NOT take away this right. Please do NOT weaken Oregon's voting rights.
