

Submitter:

Allison Pynch

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Cannot express how fervently I oppose taking away our right to vote with time, thought, and grace in our own homes. Vote by mail is something Oregon should be proud of and guard as our right. This was a bi-partison bill when it was passed. Do not fall into the national politics and repeal this bill.
