

Submitter:

Leah Robbins

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This legislation must be opposed in the greatest numbers possible by all elected officials across Oregon.

Oregon's landmark vote by mail system has been implemented for over 20 years. In that time, voter participation has increased and county elections officers maintain the legitimacy and security of elections. Any attempt to undermine the use of this method of voting is a direct assault on the democratic principles of fair elections. Oppose this bill! VOTE NO!
