

Submitter:

Celeste Derie

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail is amazing. Voting by mail gives me, my family. Community and friends the time and space to research measures and candidates thoroughly and make the most informed position. It allows us flexibility for mail and drop off in ballot boxes. There is no logical reason to change our voting process and require in person voting.
