The State of Oregon website regarding Voting in Oregon says it best: Oregon has a proud tradition of open, accessible and fair elections, with a modern vote-by-mail system that is the gold standard in U.S. elections administration. ??????????Oregon has the most convenient voting system in the country. Since adopting vote-by-mail, Oregon consistently ranks as a national leader in voter turnout and security. I very strongly oppose making in-person voting on the date of an election the standard method for conducting an election.
